Kuala Lumpur, 9 October 2012: Quill Capita Management Sdn Bhd ("QCM"), the manager of Quill Capita Trust ("QCT"), donated RM19,730 in cash to Rumah Hope on 6 October 2012. This contribution is in line with QCM's focus in supporting the welfare of needy children and will be for the purchase of used computers and a printer for the shelter's existing computer class room.

Rumah Hope is a registered voluntary welfare organisation that helps abused, abandoned, neglected, orphaned or at-risk children of all races between the ages of 5 to 17 years old. Rumah Hope's objective is to provide a safe social setting giving physical and emotional care to these children. Currently, Rumah Hope has two operating centres taking care of 51 children whereby they provide health care, shelter and education and a safe haven for social interaction. Through an environment that nurtures, loves and cares for these children, Rumah Hope hopes to provide them the opportunity to realise their dreams and step out into the world as independent, mature individuals who could have a successful life.

Dato' Mohammed Hussein, Chairman of QCM said "We recognize Rumah Hope's commendable efforts in helping this group of disadvantaged children to realise their potential and become independent. In view of the increasing importance of information technology and computerization in our society, QCM's contribution will support Rumah Hope's aim to improve computer literacy amongst the children in the shelter(s) and to ensure that the children are equipped with the necessary technology skills that will help them in their learning and day to day lives as they move on to adulthood."

Mr. Vijayan Samuel, Treasurer of Rumah Hope commended on QCM's involvement, "We thank QCM for its support in helping us achieve our goals of giving these children a brighter future. We hope QCM's commitment in helping Rumah Hope will encourage more participation from other like-minded corporate and individual donors."
