Mr Tony Tan, CEO of CMTML, said, "Underpinned by our portfolio of well-located shopping malls and extensive network of retailers, CMT has delivered yet another set of stable results in the third quarter of 2017. Amidst soft market conditions, shopper traffic for the first nine months of 2017 rose 0.2%. Portfolio occupancy as at 30 September 2017 reached a high of 99.0%, up from 98.6% at the end of last quarter."

"During the quarter, CMT announced the divestment of its units in Victory SR Trust, which owns the serviced residence component of Funan at an agreed land value of S\$90.5 million. The divestment serves to lower CMT's development risks, reduce funding requirements and improve the return on investment for Funan's redevelopment. We are glad to have found a strong and reliable partner in Ascott to jointly transform Funan into a new paradigm for live-work-play in Singapore."
