Disclaimer

This presentation may contain forward-looking statements. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, availability of real estate properties, competition from other developments or companies, shifts in customer demands, shifts in expected levels of occupancy rate, property rental income, charge out collections, changes in operating expenses (including employee wages, benefits and training, property operating expenses), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business.

You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management regarding future events. No representation or warranty expressed or implied is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions contained in this presentation. Neither CapitaLand Integrated Commercial Trust Management Limited (“Manager”) nor any of its affiliates, advisers or representatives shall have any liability whatsoever (in negligence or otherwise) for any loss howsoever arising, whether directly or indirectly, from any use, reliance or distribution of this presentation or its contents or otherwise arising in connection with this presentation.

The past performance of CapitaLand Integrated Commercial Trust (“CICT”) is not indicative of future performance. The listing of the units in the CICT (“Units”) on the Singapore Exchange Securities Trading Limited (the “SGX-ST”) does not guarantee a liquid market for the Units. The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed on the SGX-ST. It is intended that holders of Units may only deal in their Units through trading on the SGX-ST.

This presentation is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units.

Market Information

Highlights

Executive Summary

Financials

- CICT's 1Q 2025⁽¹⁾ gross revenue and net property income marginally eased largely due to the absence of income from 21 Collyer Quay which was divested on 11 November 2024
- On a like-for-like basis⁽²⁾, CICT's 1Q 2025 gross revenue and net property income were up by 1.1% and 1.4%, respectively
- Contribution from joint ventures such as ION Orchard is only reflected at the distributable income level
- Portfolio NPI margin was about 74%

Portfolio Management

- Continue to observe higher signing rents for new and renewed leases, compared to rents of expiring leases, for both retail and office portfolio
- Portfolio occupancy marginally lower due to expiries of leases

Capital Management

- Healthy financial position: As at 31 March 2025, aggregate leverage remained low at 38.7%, with an average cost of debt of 3.4%, down from 31 December 2024

Notes:

(1) Excludes contribution from joint ventures, CapitaSpring and ION Orchard.

(2) The like-for-like basis assumes no income from 21 Collyer Quay in 1Q 2024.

Focus & Outlook

Value Creation Plans in the Works

1. Leveraging Urban Redevelopment Authority (URA)'s broader plans for Tampines Regional Centre

Launch of the Tampines 5-Year Masterplan (2025-2030) in Feb 2025

- Land Transport Authority is exploring the transformation of part of Tampines Central 5 into a pedestrianised street between the malls in Tampines Town Centre and Tampines MRT Station.
- Planning for Tampines Mall's AEI to be carried out in 4Q 2025.

2. Capturing opportunity with demographic changes in Singapore

- Curating the retail experiences with offerings and amenities for the active agers economy.
- Collaborating with like-minded partners and active programming.

Notes:

More details on the Tampines 5-Year Master Plan can be found on [Tampines Town Council's website](#).

Steering Through FY 2025 Amid Macro Headwinds

Starting FY 2025 on a Financially and Fundamentally Strong Position

Income Outlook

- Positive rent reversions for leases signed in FY 2023 and FY 2024 continue to contribute to FY 2025 revenue
- Full year distribution income contribution from **ION Orchard**
- Progressive contribution from the completion of **IMM Building's** AEI
 - Phases 1 and 2 completed in 4Q 2024; Phase 3 to complete by 3Q 2025
- Target progressive handover of **Gallileo** from 2H 2025; expected to contribute more meaningfully from FY 2026

Cost & Capital Management

- Discipline in maintaining healthy balance sheet
- Easing interest rate outlook
- Expected lower utility cost
- Expected higher costs, such as manpower cost

Business Landscape

- Remain vigilant of macro headwinds that may impact business sentiments
- Seek to secure leases ahead of expiries
- Acquire new tenants and retain existing tenants

Ongoing Focus

AEIs

- Regular review of AEI opportunities based on asset attributes and growth potential
- Stagger AEIs to manage capital expenditure and minimise downtime

Portfolio Reconstitution

- Maintain disciplined approach
- Continue to monitor the market for opportunities
- Focus on home-ground Singapore, which offers stability, for inorganic growth
- Each asset will be evaluated according to its best use and value

1Q 2025 Frankfurt Office Market

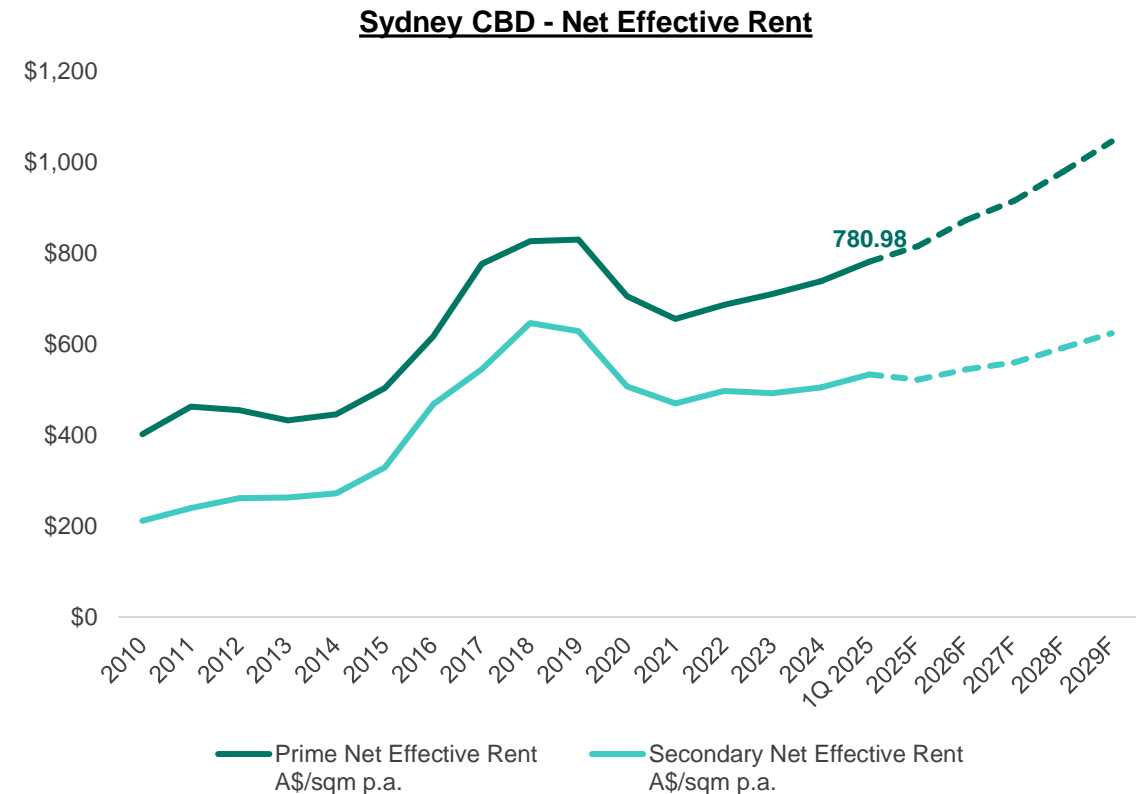

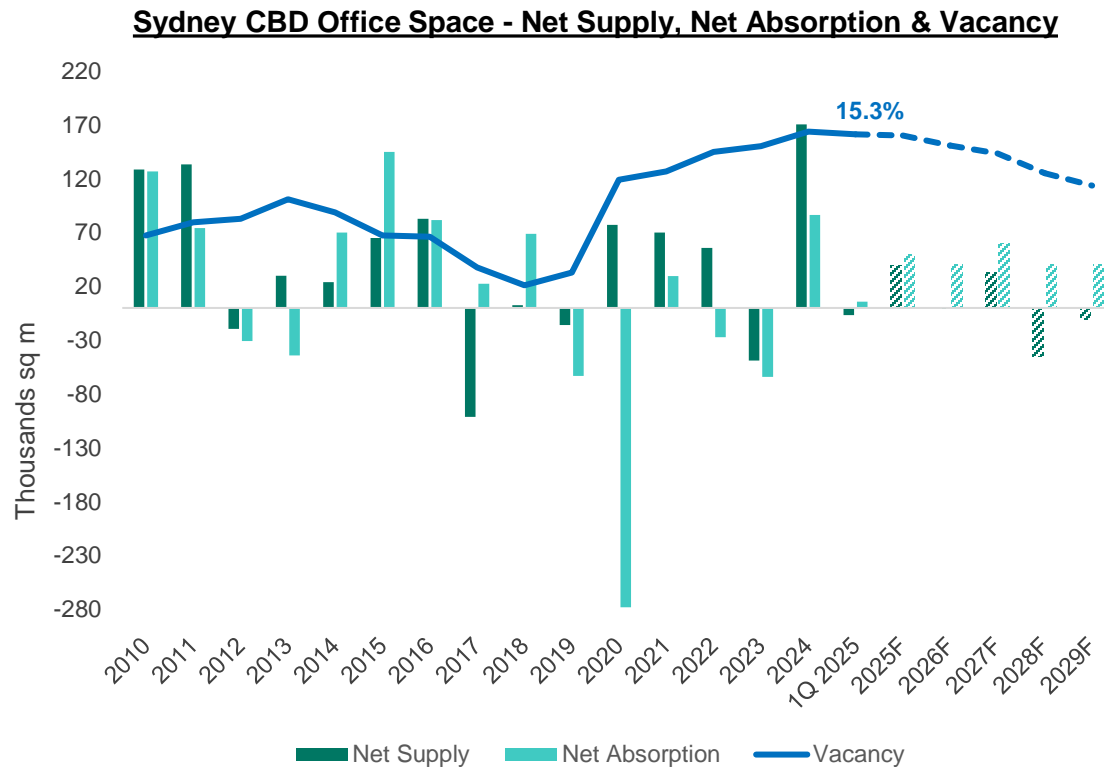

- Frankfurt prime rent increased 6.3% YoY to EUR51.00 per sq m
- Office vacancy rose to 10.0%, from 9.5% in the previous quarter
- Outlook: Frankfurt's office market is showing tentative signs of recovery, though a full return to pre-2020 levels remains uncertain. Vacancy is expected to stay high, but limited new supply and demand for quality space may drive prime rent growth.
